

# HE DOESN'T STINK AT THIS.

Thanks to the innovative and ever-advancing technologies of Microban, clothing, footwear and gear stay fresher longer.

Be sure to check in at our "Science and Solutions of Odor Control" workshop January 10 @ 11 am in the Trend and Design Center (#155-501) and catch the first scent on odor control technologies from Microban.

Come visit our Fresh Bar to take the sniff challenge and see how we're leading the way with anti-odor innovations that merge seamlessly into your systems.
